

SHOP TRAILER TECHNICIAN

Techs are the wave of the future - here's how they make it happen every day

COX AUTOMOTIVE / FLEET SERVICES
MOBILITY

WHAT WE DO

1. Provide maintenance, repair, and replacement of trailer parts, including but not limited to trailer and box side panels, FRP panels, roofs, lift gates, aluminum and chem-lite, trailer brakes, and rear, overhead, and swing doors.
2. Confer with service advisors or shop managers to obtain descriptions of trailer problems.
3. Inspect trailers for damage and record findings.
4. Plan and follow work procedures.
5. Collaborate and coordinate with fellow technicians.
6. Maintain safety culture and compliance.

HOW WE DO IT

- Mechanical Knowledge

HOW WE SHOW UP

Shop Trailer Techs embody the Empowered People Principles of Cox Automotive. We:

1

Make It Happen Today:

Take responsibility for persistently pursuing goals and delivering results.

2

Improve and Grow:

Drive personal development journeys and never stop learning.

3

Partner for Success:

Intentionally collaborate with others to achieve shared success.

4

Value Every Voice:

Encourage others to share and be open to acting on their ideas.

WHAT MOTIVATES US

1. "I have always had an interest in repairing and creating things since I was a kid. This role allows me to do that every day."
2. "There is real camaraderie in the shop that I think is unique to that type of work environment. We all really enjoy working with each other."
