

# June Dealership Service Revenue and Ticket Volume Decreases

Service revenue index decreases 1.2% month over month, and ticket volume index decreases 1.3% month over month

# About the Xtime Index

## Repair Order Revenue and Repair Order Volume

The monthly Xtime service revenue and ticket volume metrics are designed to showcase average service department performance over time, with the information indexed to January 2019. The two top-line measures provide a glimpse into service department performance at franchised dealerships in the U.S. Xtime, a Cox Automotive brand, provides software that helps auto dealers facilitate more than 10 million service appointments monthly.
